If you are interested in perpetuating the ideals that motivated your Confederate Ancestor, the SCV needs you!. The memory and reputation of the Confederate soldier, as well as the motives for his suffering and sacrifice, are being consciously distracted by some in an attempt to alter history. A unique part of our nation's heritage will cease to exist unless the descendants of Southern soldiers resist those efforts.

Today, the Sons of Confederate Veterans is an organization preserving the history and legacy of Confederate heroes, so future generations may understand the motives that galvanized the Southern Cause.

Membership in the SCV is open to all male descendants of any veteran who served honorably in the Confederate armed forces. Membership can be obtained through either direct or collateral family lines and kinship to a veteran must be documented genealogically. The minimum age for membership is 12, however we also offer a CADET program for those under 12.

If you are interested in joining, we would love to talk to you! You may contact any one of the following Camp Officers or visit our web site at <http://cradleofconfederacy.uuuq.com>.
